

FOR RELEASE
SENATOR RICHARD B. RUSSELL, CHAIRMAN
COMMITTEE ON ARMED SERVICES
UNITED STATES SENATE
Tuesday, March 6, 1962, 12:00 noon

Attached is an unclassified summary of the results of the interrogation by the Central Intelligence Agency of Francis Gary Powers since his release by the Soviet Union. From the contractual terms outlined in the enclosure and from the other information it contains, it is apparent that Powers did not violate his contract of employment. Other information, of a type that it is not in the national interest to disclose, supports this conclusion.
